

**Product** 16567**Number:****Order** 50PAR30LN/HAL/IRS/WFL50/TL120V**Abbreviation:****General** Tungsten Halogen PAR30LN IR Silver Reflector Lamp 50Watt**Description:** 120Volt Medium Base WideFlood50 Beam Triple Life**\* Full Case Required****Product Information**

|                                   |                                         |
|-----------------------------------|-----------------------------------------|
| Abbrev. With Packaging Info.      | 50PAR30LNHALIRSWFL50TL 120V 10/CS 1/SKU |
| Approx. Lumens                    | 950                                     |
| Average Rated Life (hr)           | 4500                                    |
| Base                              | E26 Medium                              |
| Beam Angle (deg)                  | 50                                      |
| Beam Type                         | WFL                                     |
| Bulb                              | PAR30LN                                 |
| Centerbeam Candlepower (cp)       | 1100                                    |
| Class                             | YES                                     |
| Color Rendering Index (CRI)       | 99                                      |
| Color Temperature/CCT (K)         | 2800                                    |
| Diameter (in)                     | 3.752                                   |
| Diameter (mm)                     | 95.30                                   |
| Family Brand Name                 | Halogen Par30 Long Neck                 |
| Filament                          | CC-8                                    |
| Horizontal Beam Angle (deg)       | 50                                      |
| Lamp Finish                       | Reflector                               |
| Maximum Overall Length - MOL (in) | 4.625                                   |
| Maximum Overall Length - MOL (mm) | 119.0625                                |
| Nominal Voltage (V)               | 120.00                                  |
| Nominal Wattage (W)               | 50.00                                   |

**Footnotes**

- State of the Art SPL Optics
- For indoor or outdoor use where not directly exposed to weather. Exposure to weather may damage the bulb.
- In base up operation, heat may eventually deteriorate paper-lined or plastic sockets.
