

**Product** 14779**Number:****Order** 300BR/FL 120V**Abbreviation:****General** Incandescent BR40 Reflector Lamp Inside Frost Finish Medium Brass Base**Description:** 300Watt 120Volt Flood

#### Product Information

|                                   |                          |
|-----------------------------------|--------------------------|
| Abbrev. With Packaging Info.      | 300BRFL 120V 24/CS 1/SKU |
| Approx. Lumens                    | 3030                     |
| Average Rated Life (hr)           | 2000                     |
| Base                              | Medium Brass             |
| Beam Angle (deg)                  | 60                       |
| Beam Type                         | FL                       |
| Bulb                              | BR40                     |
| Centerbeam Candlepower (cp)       | 2900                     |
| Class                             | C (gas)                  |
| Color Rendering Index (CRI)       | 100                      |
| Color Temperature/CCT (K)         | 2850                     |
| Diameter (in)                     | 5.000                    |
| Diameter (mm)                     | 127.00                   |
| Filament                          | CC-2V                    |
| Lamp Finish                       | Reflector                |
| Maximum Overall Length - MOL (in) | 6.500                    |
| Maximum Overall Length - MOL (mm) | 165.1                    |
| Nominal Voltage (V)               | 120.00                   |
| Nominal Wattage (W)               | 300.00                   |

#### Footnotes

- Should not be used in equipment where base temperature will exceed 500F.
- Operate only in porcelain sockets.
- Should be shielded against moisture falling on bulb.
- May not give satisfactory performance if any accessory lighting equipment touches the glass bulb.
